Dear Mr. Doggett

I am pleased to inform you that APOA FNC and the Public Safety Coalition officially intend on awarding DOWL the contract to complete the Interior Training Facility Scoping project as outlined in RFP-20-RR-002. Once this letter has been sent, I will forward the contract for you to sign. Once we have a signed agreement from you, we will have the remaining signatures completed and issue a Notice to Proceed. This will conclude the bidding and award process.

I want to thank you and your staff for their effort in processing our RFP. It is clear by the quality of that work; your organization will make this facility the best training facility in the state. Many federal, state, and local groups are patiently waiting for this project to be completed. With your guidance we are one step closer to completing that vision.

Again, I want to thank you for your efforts, and I look forward to working with you and your staff in the months to come.

Sincerely,

Steve Dutra
Representative for APOA FNC and PSC
