# WHO WE ARE...

Big Street Construction, Inc is a locally owned and operated, Alaskan corporation. We started in 2003 as a custom home builder in the North Pole and Fairbanks area. Over the years, Big Street Construction, Inc has become one of the top commercial contractors, an award winning residential contractor, and is the largest Fire and Flood Restoration contractor in the Interior of Alaska with an estimated annual growth of 10%.

Whether you're looking to build your DREAM HOME or perfect office space from the ground up, or upgrade the property you already have to something you'll love, our services can set the foundation for what you have in mind. Trust us when it comes to your biggest investment. We are the best in the industry and our reputation proves it!
