Notification

All street excavations and subsequent restoration of a public facility must conform to the appropriate City regulation(s) *Service Line Requirements for Water and Wastewater, Utility Standards of Construction, Design Guidelines for Streets and Drainage, Right-of Way Permit Application and Specifications Manual, City of North Pole Municipal Code* and the Alaska Department of Transportation and Public Facilities highway construction standards and OSHA requirements.

Storm Water Permits

Private projects disturbing a combined one acre or more must also obtain a Storm Water Permit. Public projects occurring within the City limits that disturb a combined one acre or more must also obtain a Storm Water Permit from the Alaska Department of Environmental Conservation.

Certification

By signing the permit application below, I hereby certify that I have read and examined this application, the appropriate City regulation(s)--*Service Line Requirements for Water and Wastewater, Utility Standards of Construction, Design Guidelines for Streets and Drainage, Right-of Way Permit Application and Specifications Manual*. In addition, the work to be performed shall meet the requirements of these guidelines and specifications as applicable. Further, I certify that all information provided in the permit application and attachments to the application to be true and correct to the best of my knowledge. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not.
