**CITIZENS COMMENTS**
- Francie Cork 401 Holiday Rd
  Glad to hear Bill Butler talk about the traffic on the Old Richardson Hwy. Nothing would make her happier than a pedestrian crossing from the Davis Subdivision to the bike path. Encouraged officers and council members to keep an eye out.
- Dawn Murphy, Explore Fairbanks
Our communications department has been working on developing the new Explore Fairbanks website. The new website will include 8 mini videos such as How to Dress for Alaska, Aurora viewing, Arts & Culture, Golden Heart and winter. The new website will also have some space dedicated to “Destinations within the Destination” which will explore opportunities for visitors at various areas such as UAF, Chena Hot Springs and North Pole. We had hoped to have the launch by September but it looks like it will be closer to the end of the year. In March, Jerry Evans, our PR Manager hosted Japan Airlines Skyward Media Tour which is similar to Alaska Airlines Magazine with stops in North Pole.

Deb Hickok, the president & CEO in conjunction with the communications department is working on an economic development video. The Borough asked us to work on this project and we hope to have the project completed by mid-2017.

The tourism department hosted Powell Consultants, a high-end incentive travel consultant, which works with the Chinese market. Grace Mg, the Director with Powell Consultants, stayed in the Hotel North Pole and is enthused with the product to promote to her clients. We worked with a contractor to launch our WeChat which is a Chinese social media platform similar to Facebook, Instagram and Twitter. WeChat is regulated by the Chinese government which is why we felt we would benefit by hiring a contractor to help navigate the restrictions. WeChat had 700 million active users in March of this year, 90% of those are Chinese and more than 70 million of the active users are outside of China. This includes the students that we have seen the last couple of springs. We are using this platform to inform them of winter driving and dressing as well as offering options for them. We have seen an increased interest by this market and from what we hear it will likely continue. You will probably see scan codes at locations such as rental car facilities. One of the many features of WeChat is they can scan the codes and get instant information. Between August 24th and September 28th we will have 9 charter flights scheduled. The airlines include Japan Airlines, Uzbekistan Airways, All Nippon Airways and China Air.

The Meetings and Conventions department is working with various committees to get ready for First Alaskans and AFB 2016 and their 50th Anniversary. There will be lots of events for the public to enjoy including the Potlatch, Arts & Crafts Show and Quyana Alaska as well as volunteer opportunities. The dates are October 16-19 for First Alaskan Elders & Youth Conference and October 20-22 for AFN Convention. In our new Meeting Planner Guide you will see that North Pole is mentioned on Pages 14, 21, 27, and under events on page 35.

In April at our Annual Awards Banquet, Christmas in Ice received the Raven Award for promoting a distinct local, statewide, national and international interest and awareness among prospective visitors. In May, the 14th Fairbanks Visitor Industry Walk for Charity raised over $20,000 with 548 walkers participating to raise funds for 51 local non-profits. This brings the total raised to just under $335,000.

Ms. Murphy touched on the fact that the State of Alaska Tourism budget has gone from 16 million 3 years ago to 1.5 million this year. When the Governor made his cuts, tourism marketing was cut from 4.5 million to 1.5 million. ATIA and the Alaska Tourism Marketing Board have been working on what programs will be available. At this time most of the funding is going into keeping up our online presence. Opportunities for us to co-op with the state on familiarization tours, media tours, tradeshows, media placement, printed State Travel Planners,
etc. are off the table. Our staff is looking at ways to defray costs by either participating with Visit Anchorage or industry partners when allowed for tradeshows. We submitted our final grant report on July 21st. Thank you again for reinvesting bed tax funds into destination marketing. As you can see by the figures before you, tourism is an economic driver year-round and the second largest industry employer in the State of Alaska employing more than 30,000 people. The Borough is working on their audit adjustments and we normally see those in August or September which accrue back to June for their fiscal year-end receivable.

Ms. Holm said she enjoyed the article and would also like to see the North Pole July 4th celebration included.

ORDINANCE 16-18, AN ORDINANCE AMENDING TITLE 2, PERSONNEL CODE, CHAPTER 2.36.470 PAY, SECTION F. PROFESSIONAL DEVELOPMENT
Deputy Chief Coon said this was more of a cleanup and that it is already in code. If they meet the job description they have the ability to make the step increase. It has been hard to track and this makes it more clear to the employee and cut and dry. Employees are eligible for the step increase as long as it is in the budget. The fire department is trying to recruit, keep, and give a clear path for progression in the fire department.

Public Comment
Steve Dutra – he spoke in favor of this professional development and encouraged the council to approve it.

Mr. McGhee moved to Introduce and Advance Ordinance 16-18, an ordinance amending Title 2, Personnel Code, Chapter 2.36.470 Pay, Section F. Professional Development
Seconded by Mr. McCarthy

Discussion
Ms. Holm said that there is a definite value in having educated fire fighters. If this keeps them secure in their job she is for it.

COUNCIL COMMENTS
Ms. Holm – good to see everyone again and congratulated Chief Coon for being accepted to the National Fire Academy. She attended the Republican National Convention in Cleveland, a pharmacy conference and then in Disneyland for a week. What she came home with after having time to reflect on it was Alaska is capable of so much more. She asked council to reflect in their spare time what Alaska would look like if they were an economic super power. What kind of regulations need to be lifted from us so we can take part in the world and have an economy in the world. Now that there is a cable coming across the world that will give us the best internet in the world. How can we best support our people with agriculture, technology and tap that and move forward.

Mr. Claus – congratulation to Chief Coon for being accepted to the National Fire Academy. He thanked Ms. Dawson for all her work on the council.

Mr. Smith – great seeing everyone on the bike paths. Pleasure working with Ms. Dawson. School starts again on Wednesday so please be careful.

Mr. McCarthy – no comment

Mr. McGhee – has been a pleasure to work with Ms. Dawson.

Ms. Dawson – she turned in her resignation and will be moving to Ft. Rucker, Alabama in November. They are ready for this new chapter in their life. She thanked everyone for the experience and everything they had taught her. She is excited for what is next to come.

Mayor Ward – thanked Ms. Dawson on her work on the council and her future endeavors. Kudo’s to the PW department and putting together the skateboard equipment. There were kids and young adults out there scooting around. He appreciates the skateboard coalition, they testified at the FNSB meeting and they helped and worked with the Public Work Department and have taken and ownership of the park. Special thanks to the staff for coming out on the weekend.

To: Kathy Weber
North Pole City Council

Re: Tuition Reimbursement

I would like to formally request that the North Pole City Council approve $1,288.00 in tuition reimbursement for Emily Gibson for classes she is enrolling in for the Fall 2016 semester.

Two of the course she is taking are directly related and necessary for her to complete her accounting degree. One class, DEV 105 Intermediate Algebra, I considered a developmental course and not a prerequisite course for her degree and I am not considering it for reimbursement.

We have enough funding this year to pay for $1,288.00 even though Gibson has requested $1,848.00.

AIS 101 Effective Personal Computer Use and BA 343 Principles of Marketing are both mutually beneficial to the employee and the City of North Pole because they will provide the core courses she needs for her accounting degree. An accounting degree is very important to our department since we often find ourselves investigating financial crimes which can be complicated.

This request falls just short of the deadline due to no fault of the employee. The employee put the request in prior to her enrollment but since I was on vacation and other priorities this request did not get processed in time. I ask that you please approve this tuition reimbursement.

Thank you for your time.

Chief Steve Dutra
City of North Pole

Pre-approval by the City Council is required on all tuition reimbursements prior to the enrollment.

B. Upon completion of the course, the employee shall submit evidence of successful completion and a brief written summary of the outcome of the course to their respective department head who will verify and issue the reimbursement. A copy of the transcript must be attached to the tuition reimbursement request. The employee shall sign an agreement that the tuition will be returned to the City if the employee leaves City employment within twelve months from date of completion of the course. The Effective Computer Use class and Principles of Marketing class are required courses for the UAF School of Management accounting degree. The Intermediate Algebra class is a prerequisite for a required class I will need for the degree as I have not taken math in almost ten years.

The total cost for the three classes is $2320, with tuition being $1848. The classes begin August 29th and end December 17th, 2016. Books will be between $547-$705, all depending on if I go with digital or hard copy.
I am requesting reimbursement for tuition of $1848. I will need to look into selling a kidney for the rest of the expenses.

Thanks,
