Memo

To: NP City Council  
From: Kathy Weber  
CC: Mayor Ward  
Date: 3/31/2016  
Re: Annual Review and Appointment of Committee Memberships

Below is the section of code that relates to committees. I have highlighted the specific part of the code that relates to the council approving the committees.

2.12.070 Committees.

A. The Council may create standing and special committees. The Mayor shall appoint committee members and designate a committee chairman subject to confirmation by the Council. All committees and their respective memberships shall automatically sunset by December 31st of each year unless otherwise specified. The Mayor and the Council shall annually review all committees and their respective memberships for consideration of reappointment. In such case as the Mayor has a conflict of interest in appointments to special or standing committees, the Mayor Pro Tempore shall appoint committee members subject to confirmation of Council. In such case as both the Mayor and the Mayor Pro Tempore have a conflict of interest, the Deputy Mayor Pro Tempore shall appoint committee members subject to confirmation of Council. In such case as the Mayor, Mayor Pro Tempore and Deputy Mayor Pro Tempore have a conflict of interest, the alternate Deputy Mayor Pro Tempore shall appoint committee members subject to confirmation of Council.

B. The majority of those committee members appointed under subsection (A) of this section and confirmed by Council will constitute a quorum of the committee.

C. No business shall be conducted without a quorum of the committee.

D. The committee chairman shall see that the committee acts on all business referred to it and reports back to the Council as soon as practicable. The committee chairman shall file with the Clerk a record of the actions taken by the committee.

E. Any Council member may attend, participate, debate and vote at any committee meeting, but a Council member who was not appointed to the committee shall not be counted in determining the presence of a quorum.

F. A majority of the votes cast on the question shall be required to adopt any motion or other matter brought before a committee.

G. The Clerk shall cause reasonable public notice of a committee meeting to be given. (Ord. 01-06, 2001; Ord. 98-5 §§ 4, 6, 1998; Ord. 94-8 § 2, 1994; Ord. 82-3 § 2-6(10), 1982)

March 24, 2016

Mayor Bryce Ward
Honorable City Council

I would like to formally request that you consider and adopt the 2016 Cooperative Agreement between the U.S. Army Corps of Engineers and the City of North Pole for law enforcement services.

The City of North Pole has had a long standing agreement with Corps of Engineers since the early 1990’s. This year’s contract is the same as last years. The City of North Pole will provide law enforcement services to the U.S. Corps of Engineers for the period beginning May 1, 2016 through September 30, 2016.

The North Pole Police Department will supply law enforcement services to protect the assets contained within the Chena Lakes Flood Control project excluding the Chena Lakes Recreational Area unless requested to do so. The compensation to the City of North Pole could be up to $82,795.01. Please review the attached agreement.

I would ask that the City Council approve this contract.

Thank you,

Chief Steve Dutra
COOPERATIVE AGREEMENT BETWEEN THE U.S. ARMY CORPS OF ENGINEERS AND THE CITY OF NORTH POLE, ALASKA FOR THE PROVISION OF LAW ENFORCEMENT SERVICES

APPENDIX A

2016 PLAN OF OPERATION FOR LAW ENFORCEMENT SERVICES AT THE CHENA RIVER FLOOD CONTROL PROJECT

TASK ORDER 01-2016

1. INTRODUCTION

In the interest of public safety and security, the City of North Pole, Alaska (Cooperator) will provide law enforcement services on U.S. Army Corps of Engineers (Corps) managed lands and waters within the Chena River Flood Control Project as described below. The Corps has proprietary jurisdiction over all Project lands and waters in accordance with Federal regulations contained within Title 36, Code of Federal Regulations, Part 327. Law enforcement cooperative agreements (LECA) with states or their political subdivisions are authorized by Engineer Regulation 1130-2-550, Chapter 7, to help provide a safe and healthful environment for public use at Corps water resource development projects. Concurrent patrol and enforcement by both the Corps and the Cooperator is the most effective means of assuring a safe environment for public use at the Chena River Flood Control Project.

2. DESCRIPTION OF WORK AREA

The work area covered by this task order includes all accessible Corps managed public lands and waters contained within the boundaries of the Project (Attachment 1). Most, but not all, patrol work will be in those areas receiving the greatest use to maximize visibility and effectiveness. These areas include the Project entrance road corridor, dam structure and outlet works, bicycle trail, visitor kiosk, Piledriver Slough access areas, Bathing Beauty Hole, Moose Creek Bluff, Tanana groin road and silt blanket portion of the floodway.

The Chena Lakes Recreation Area (Lake Park and River Park), leased to and managed by the Fairbanks North Star Borough (FNSB), is not included in this Task Order; however, this will not preclude the Cooperator from independently entering these areas in extreme emergencies. The Cooperator may, at no expense to the Corps, provide backup support to the Alaska State Troopers (AST) responding to other than extreme emergencies in the leased parks pursuant to state or local authority. The FNSB is expected to call AST for all law enforcement within the Chena Lakes Recreation Area since they (the FNSB) are not a party to the original LECA or this Task Order.
3. **PERIOD OF SERVICES**

Regularly scheduled patrols shall begin no earlier than May 1, 2016 and shall end no later than September 30, 2016. This period covers approximately 22 weeks of continuous service from the Cooperator.

4. **NORMAL LEVEL OF SERVICE**

There is currently no scheduled law enforcement service provided at the Project. The Alaska State Troopers make infrequent visits to the Project and respond to emergencies if available. The FNSB has no law enforcement powers or organization.

5. **TASKS**

a. The Cooperator shall provide one or more state certified law enforcement officers, with jurisdictional authority to enforce State laws on the Project, to perform an average of 40 hours of patrol work each week during the service period. The total number of hours worked under this task order shall not exceed 880 hours, regular time; 40 hours, overtime; and 24 hours, holiday time.

1. Patrol work will be performed by one law enforcement officer using the Cooperator’s law enforcement vehicle, the Corps’ all-terrain vehicles, patrol boat and by foot. The primary emphasis of these patrols will be on accident prevention, emergency services to Project visitors, and the enforcement of state laws. Maximum visibility of the Cooperator is desired to encourage voluntary compliance with laws and regulations. Liberal use of verbal and written warnings for minor infractions is encouraged; enforcement actions are to be undertaken as necessary.

2. The Cooperator shall generally provide services from Thursday through Monday each week. Service on Tuesday and Wednesday will generally not be required except for holidays falling on these days for which holiday wages will be paid. If Corps requested work for individual officer exceeds 40 hours in one week, overtime will be paid.

3. Patrol work shall usually coincide with the daily period of greatest use of the Project by visitors. Except for special circumstances or as otherwise directed by the Corps, the Cooperator is expected to begin work no earlier than 1000 and finish no later than 2400 each day. Within this general coverage window, the Corps will allow maximum flexibility in the Cooperator’s daily schedule. Should inclement weather, equipment down time or other conditions beyond the control of the Cooperator reduce the patrol on a particular day, the lost time may be made up on another day when additional work is considered necessary. The cooperator is encouraged to rotate starting points and work hours so as not establish a predictable patrol pattern.
b. The Cooperator shall operate traffic radar on the primary Project access road as necessary to measure and control traffic speed along the road and prevent accidents.

6. **DAILY LAW ENFORCEMENT LOG**

   The Cooperator shall maintain a daily activity log recording all incidents, accidents, visitor assists and public contacts, including warnings or citations issued. It is particularly important that any work (to include emergency responses and assists to AST) performed within the **Chena Lakes Recreation Area** (Lake and River Parks), that is leased to and operated by the FNSB, be noted separately for statistical purposes. A summation of the activity log shall be submitted to the Corps at the end of each month. Detailed written reports of major incidents such as traffic accidents, fatalities, theft, property damage, assaults and other such incidents shall be submitted to the Corps no later than the following scheduled workday.

   *Any emergency involving a fatality, serious injury, major property damage or credible physical security threat involving the dam shall be reported immediately to the Corps’ Project Manager or Senior Park Ranger regardless of time of day.*

7. **COST OF SERVICES**

   The hourly rate for law enforcement services shall be as follows:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost/Hour</th>
<th>Estimated Hours</th>
<th>Estimated Cost</th>
</tr>
</thead>
<tbody>
<tr>
<td>Officer’s Total Hourly Rate*</td>

<td>$ 1,071.81</td>
</tr>
</tbody>
</table>

   **TOTAL COST** $ 82,795.01

   * To include all insurance costs
   ** Vehicle rate is cost for depreciation and maintenance only and not for purchase costs.
   *** Includes overtime hours

8. **COMPENSATION TO THE COOPERATOR**

   The Cooperator shall be paid for services listed in this task order performed over the agreement period. No legal liability on the part of the Corps for payment of any money for performance outside of this task order shall arise. Additional work, if necessary, will be covered under separate task orders.
9. **BILLINGS**

The Cooperator shall submit monthly invoices to the Corps, itemizing the hours of services actually performed and the hourly rates listed previously in Section 7. The Cooperator’s log will be used as one method of verifying performance.

Invoices shall be submitted directly to the following:

U.S. Army Corps of Engineers  
Chena River Flood Control Project  
PO Box 55270  
North Pole, AK 99705

10. **PAYMENTS**

Monthly invoices will be reviewed for accuracy and forwarded to the Alaska District Office in Anchorage for payment. The Cooperator will be paid only for those services received and approved by the District Engineer’s Representative at the Project. The total cost of services performed during the term of this agreement may not exceed $82,795.01.

11. **CORPS AND COOPERATOR REPRESENTATIVES**

1. Mr. Tim Feavel, Project Manager, Chena River Flood Control Project, P.O. Box 55270, North Pole, AK 99705, telephone 488-2748, is designated as the District Engineer’s Representative and Point of Contact for all matters relating to this task order.

2. Mr. Steve Dutra, Chief, North Pole Police Department, 125 Snowman Lane, North Pole, AK 99705, telephone 488-8459, is designated the Cooperator’s Representative and Point of Contact for all matters relating to this task order.
12. APPROVAL

The date of approval for this annual task order shall be the date on which it is signed by the Chief, Construction-Operations Division, U.S. Army Corps of Engineers, Alaska District. This Plan of Operation shall remain in effect until modified or terminated for convenience by either party.

AN ORDINANCE OF THE NORTH POLE CITY COUNCIL TO AMEND TITLE 5, 
CHAPTER 5.08.030 (A) COUNCIL REVIEW OF LICENCE ISSUANCE, RENEWAL, 
TRANSFER, RELOCATION, OR CONTINUED OPERATION

WHEREAS, changes to the North Pole Municipal Code is a continually changing requirement; 
and

WHEREAS, city regulations should not be subject to ambiguity or vagueness,

WHEREAS, removing ambiguity from code is consistent with the Preamble of the Charter, and;

WHEREAS, the basis for objection of a liquor license should be on fact and whether or not an 
applicant is meeting established requirements, and;

WHEREAS, the City of North Pole Municipal Code should be amended to conform to the 
requirements of the City and to provide clarification as needed.

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of North Pole:

Section 1. This ordinance is of a general and permanent nature and shall be codified.

Section 2. Title 5 – Business Licenses, Taxes and Regulations, Chapter 5.08.030, 
Council review of license issuance, renewal, transfer, relocation or continued operation is 
hereby amended as follows [new text in italicized red font; deleted text in strikethrough font];

5.08.030 Council review of license issuance, renewal, transfer, relocation, or 
continued operation.

A) The Council may protest the issuance, renewal, transfer, relocation, or continued operation of 
an alcoholic beverage license as provided in State law. The protest shall cite any of the 
following criteria which the Council determines to be pertinent:

1) The character and public interests of the surrounding neighborhood;

CITY OF NORTH POLE

RESOLUTION 16-03

A RESOLUTION SUPPORTING THE LEGISLATURE’S EFFORTS TO ADDRESS
PUBLIC SAFETY, HOLDING OFFENDERS ACCOUNTABLE, REDUCING THE COST
OF INCARCERATION, THROUGH SENATE BILL 91, AND ENCOURAGES A MORE
COMPREHENSIVE PUBLIC SAFETY REVIEW TO ENSURE THE SAFETY OF ALL
RESIDENTS OF THE STATE OF ALASKA

WHEREAS, SB 91, an Act relating to comprehensive criminal justice reform, is currently pending
before the Legislature of the State of Alaska; and

WHEREAS, the Alaska Legislature is looking at how to manage the state's current fiscal crisis, and
facing a multi-billion dollar budget shortfall, it is vital that each state dollar spent is cost effective and
targeted in a manner to get the best return on investment; and

WHEREAS, Alaska’s corrections spending has grown for decades, now costing the state over $300
million each year and hundreds of millions more each time Alaska builds a new prison; and

WHEREAS, despite the extraordinary spending, Alaska’s recidivism rate is remarkably high, with two
out of three released offenders returning to prison within three years of release; and

WHEREAS, too many Alaskans are taken out of the workforce and placed behind bars for involvement
in nonviolent or low-level crimes and, while incarceration is sometimes suitable, it is not the only path to
public safety; and

WHEREAS, the Alaska Criminal Justice Commission tracked some, but not all of the research in the
field and analyzed some of the ways to change criminal offending behavior and has provided the
Legislature with 21 recommendations for statutory changes that may get better results, safely reduce the
prison population, and save the state an estimated $424 million; and

WHEREAS, the comprehensive package of criminal justice reforms contained in Senate Bill 91 may
help ensure that more Alaskans remain productive members of society and not become financial burdens
on the state; and

WHEREAS, there is support of the philosophical approach to SB 91, and we recognize the need for
diversionary programs and greater mental health and drug rehabilitation services in the State of Alaska;
and

WHEREAS, in its current form there are still major concerns with SB 91 from the law enforcement and
criminal justice leaders in our community; and

WHEREAS, the legislature should encourage honest, blunt interactive discussion with local law
enforcement agencies from across the state, to include state partners such as the Department of Law
WHEREAS, it is a concern that state agency employees from DOL, DOC, and DPS are not authorized to speak freely and offer dissenting opinions in regards to this legislation; and

WHEREAS, state agency employees and local law enforcement must be able to offer their input and professional guidance to ensure that the intent of the legislation can be brought to fruition and that if changes are needed they can be fully vetted before the legislation is enacted; and

WHEREAS, delaying SB 91 may be the only way to ensure that the proposed legislation is in the best interest of public safety and not necessarily what’s best for the bottom line.

NOW THEREFORE BE IT RESOLVED that the North Pole City Council applauds Senator Coghill for introducing SB 91 to address public safety, holding offenders accountable and reducing the cost of incarceration and request the Alaska Legislature to continue working with local law enforcement, DOL, DOC, and DPS to create a bill which is in the best interest of our citizens.

BE IT FURTHER RESOLVED that copies of this resolution shall be sent to the Honorable Governor Bill Walker and the Interior Delegation.

PASSED AND APPROVED by a duly constituted quorum of the North Pole City Council this 4th day of April, 2016.
